

**JUMP ON!**

## ***SPEED. RELIABILITY.***

**SPEED AND RELIABILITY ARE BENEFITS THAT YOUR BUSINESS GETS FROM THE FIBER NETWORK THAT WAS BUILT BY MEDINA COUNTY, FOR MEDINA COUNTY.** Through a unique collaboration of the public and private sectors, the Medina County Fiber Network is a business enabler that ensures businesses in the County remain competitive and continue to grow.

### **WHO OWNS THE MEDINA COUNTY FIBER NETWORK?**

Medina County is the owner of the fiber network. The only shareholders are YOU!

### **WHY WAS IT BUILT?**

The Medina County business community needed a true resource to expand business capabilities and allow companies to maintain transport while service providers compete for their business.

### **IS THE MEDINA COUNTY FIBER NETWORK FINANCIALLY SOUND?**

Absolutely! The Medina County Fiber Network was financed through bonds and grants and is expected to be self-sustaining by 2017.

### **IS THE MEDINA COUNTY FIBER NETWORK LIVE?**

YES! And we have a number of customers using the network to conduct business every single day!

### **ABOUT THE MEDINA COUNTY FIBER NETWORK**

Completed in 2013, the Medina County Fiber Network (MCFN) is a project managed through the Medina County Port Authority. Funded through revenue development bonds, the MCFN was designed to help companies grow through access to the best technology available. With an eye to the future, the MCFN allows tomorrow's needs to be met today.

### **WHY BUSINESSES "JUMPED ON" TO THE NETWORK**

Early adopters indicate speed, reliability, and significant cost-savings as the main reasons for getting on the Medina County Fiber Network. In some cases customers will save tens of thousands of dollars on their services each year.

## **EXPANDING HIGH-SPEED BROADBAND INTO MEDINA COUNTY**

The Medina County Fiber Network (MCFN) provides businesses and institutions with affordable, robust broadband services for local, regional and global connectivity.
